**For more information: 724-285-9910**

A little about Karen Sable: She is a Certified Pet First Aid & CPR Instructor, and completed her Instructor training with Pet Tech Inc. Through her own business (Pet Emergency Training, LLC) she has been providing Pet First Aid & CPR training for 6 years. She is a retired Hospital Human Resources Director and completed a Vet Assistant Diploma program while working as an HR Director. She also has over ten years' experience in animal emergency response, and is a trained Emergency Responder with both American Humane's Red Star Team and Red Rover. Karen is also a Member of the Westmoreland County Animal Response Team and the Coordinator of their Pet Oxygen Mask Program. That program provides pet oxygen masks to Fire Departments and other First Responders, as well as training on the use of pet oxygen masks and pet first aid & CPR.
