“HOW CHIROPRACTIC & ACUPUNCTURE CAN AID IN PHYSICAL FITNESS FOR YOUR DOG”

Dr. Chelsey Giardina attended the nation's leading animal chiropractic college, Options for Animals. She then obtained certification in animal chiropractic from the International Veterinary Chiropractic Association. Dr. Chelsey has a B.S. in Animal Bioscience with honors in Veterinary Sciences from The Pennsylvania State University's Schreyer's Honors College. She completed her veterinary education at The University of Pennsylvania. After veterinary school, she completed an internship at Mid Atlantic Equine Medical Center followed by three years in a traditional equine ambulatory associateship. Originally from Hermitage Pa, Dr. Chelsey is very excited to offer animal chiropractic at Companions in Motion LLC in Harmony and to integrate vitalistic care into the lives of the Companion and performance animals of Western Pennsylvania. She is passionate that TCVM chiropractic will improve their lives, their movement, and their health!
